

# ESO APPEAL

## FOR FUNDING TO MAKE A DVD

The English Symphony Orchestra has been performing Concerts in Care Homes and Hospices as part of their work in the community since 2007. Different ensembles perform a varied repertoire in homes, day care centres and hospices and spend time talking with residents. "As musicians, we give lots of concerts and entertain lots of people, yet I think our performances in care homes are the only situations where we genuinely make a difference to somebody's life." (Stephen Warner, instrumentalist). "It was absolutely fantastic! So many people came up to me and said 'can we have them again next year' and 'do they have a DVD out?'" (member of staff at day care centre).

## LIVE CONCERT RECORDING

### TUESDAY 27<sup>TH</sup> MARCH 2012

7.30pm at CROOME COURT, near WORCESTER  
*By kind invitation of the National Trust*

The concert will feature the repertoire which ESO Ensembles perform when they visit care homes and hospices. During the concert we shall record performances by ESO Wind and String Quartets and ESO Downside Up. This will be made into a DVD which will be distributed to care homes as a memento of our concerts. It will also be made available through our website [www.eso.co.uk](http://www.eso.co.uk) for the benefit of individuals who are suffering from dementia or other cognitive difficulties.

We are seeking sponsors for the project and funds to enable these visits to continue. Each element of the recording can be sponsored and sponsors will be eligible for tickets to the concert.
